4/22: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 439 new photos and 19 minutes of smoking fetish video.

In the photo galleries, in a funky, casual shoot, Janey takes cheek-hollowing inhales, then shows a natural snap/french inhale with thick mouth and mouth/nose exhales, smoke rings and some smoke talk.

And in the high-res galleries, in a sizzling, sexy shoot Brigitte and Zoe cuddle and tease, while they smoke with strong style.

In the video galleries, sexy Tiana continues her smoky masturbation, with the help of a large vibrator, working her way to a noisy finish.
